WILL APPEAL FOR STATE MILITIA TO EVICT STRIKERS

Fansteel Metallurgical Corp. Officials to Appeal to Governor

DEFIANCE IS SHOUTED

Epidemic Feared in Cold Plant; Physician's Services Refused

CHICAGO, Feb. 20—(INS)—An appeal for State Militia to evict defiant sit-down strikers occupying the North Chicago plants of the Fansteel Metallurgical Corporation will be made today.

Company officials, in a midnight conference, decided to appeal to Governor Henry Horner, it was reliably reported, for troops to evacuate the 90 sit-downers.

Sheriff Lawrence A. Doolittle, whose force of 125 policemen and special deputies stormed the plants yesterday but were repulsed by a barrage of tools, nuts and bolts, and bottles of corrosive acid, declared early today, however, that he had agreed to postpone his request for troops on the appeal of state and federal negotiators.

This was in variance with the statement of Max Swirin, general counsel for the company, who announced following the midnight conference of company executives:

"We will demand that Sheriff Doolittle eject the strikers from the plant in accordance with the court order. If he is unable to execute the order with the men on hand, we will demand that he appeal to the Governor for troops."

The battled strikers continued to shout defiance at the 200 deputies, armed with guns and baseball bats, surrounding the plant.

"We'll die before we leave," they yelled through the broken windows.

Federal mediators Robert Pinlington and John O'Connor and Martin Durkin, director of the State Department of Labor, and his aides, were to attempt to renew negotiations today, and it was believed no further attempt to evacuate the sit-downers would be made pending the outcome of their conferences.

Trouble flared outside the plant early today when a taunting crowd of 150 strike sympathizers, mostly young men and girls, jeered and roughed seven deputies separated from their followers, tore their stars from their coats and seized their clubs.

Serious trouble was averted when the guards were ordered to withdraw behind the 8-foot wire fence surrounding the company property.

Heat and water in the plant has been shut off, but Dr. A. E. Buddege of the health department of the suburban village, said he would order the water turned on today because of sanitary conditions.

The danger of the sit-downers contracting pneumonia or influenza was revealed today by 10 sit-downers who left the plant yesterday, either because of injuries received in the attack or illness in their families. Many of the men are suffering from colds, it was learned, and with the heat shut off and no medical attention available it was feared an epidemic might develop among the adamant sit-downers. They refused the services of a physician yesterday, crying:

"We'll get along."

Marriage of Mrs. Riggs And H. C. Swank Occurs

The marriage of Mrs. Pearl Riggs, 330 Harrison street, and Harry C. Swank, 516 Buckley street, took place last evening at seven o'clock in Harrison Methodist Church. The ceremony was performed by the Rev. George Shires, Mayfair, pastor of the church. The wedding march was played by Mrs. Marie Flagg, Madison street.

Miss Marie Swank, 516 Buckley street, and Joseph Stowe, 330 Harrison street, brother of the bride, attended the couple. The bride was attractive in a powder blue crepe dress, jacket style, trimmed with white fur. She wore a navy blue crepe hat with face veil, gabardine slippers and gloves of the same tone, and a corsage of sweet peas. Miss Swank was attired in a crepe dress of old rose tone and wore black accessories, and a corsage of sweet peas. William Wilkinson, Jackson street, served as usher.

A reception followed the ceremony, at the home of the bride, with the immediate families attending. Mr. and Mrs. Swank left last evening for New York City, where they will remain for a few days. Mrs. Swank travelled in a dress of royal blue crepe, with matching accessories. The couple will reside at 330 Harrison street.

"RADICALISM IN THE COLLEGES" DISCUSSED

Bi-County Council of American Legion Auxiliaries Has Meeting

MEET AT DOYLESTOWN

DOYLESTOWN, Feb. 20—The headquarters of A. R. Atkinson, Jr., Post, No. 210, American Legion Auxiliary, was the meeting place Thursday for the Bi-County Council of American Legion Auxiliaries, comprising Montgomery and Bucks counties.

The subject for the afternoon was "Radicalism in the Colleges," and the speaker was Mrs. Barton Oblinger, Pennsylvania State chairman on Americanism. Mrs. Oblinger stressed the great need of organizing clubs to educate the youth of today to keep them off the street corners, and away from gangsters, and impressed the need of upholding the Constitution of the United States for their future happiness.

The "safety first campaign" to be conducted by the units throughout the counties in Pennsylvania was brought to the attention of the members by Mrs. James Casey, of Philadelphia, eastern vice-president.

Mrs. Abel Frankenfield, Lansdale president of the Bi-County Council, gave a resume regarding the National Defense Conference held in Washington.

Luncheon was served in the basement of the Legion Home. The decoration and favors were appropriate for the birthday season of Lincoln and Washington.

Rev. Charles F. Freeman, pastor of Salem Reformed Church, Doylestown, opened the meeting. Commander Daniel Atkinson, of the A. R. Atkinson Post, officially welcomed the Auxiliary members to Doylestown.

Other speakers included Mrs. Perry Faust, Norristown, chairman of the unit activities and Mrs. Pauline Sine, Perkasie, chairman of the state rehabilitation council.

Convicted On Charge Of Arson; Asks New Trial

DOYLESTOWN, Feb. 20—The jury of the Bucks County Criminal Court yesterday afternoon convicted Arazingo Maniero, a Philadelphia butcher, on a charge of arson.

Charged with burning his barn on his goat farm near Jamison last summer, he applied for a new trial and was released under \$3,000 bail by Judge Calvin Boyer.

Anthony Genniero, who testified at the trial that he set fire to the barn and was paid \$25 by Maniero, renewed his bail for the next term of Criminal Court.

Court adjourned yesterday.

TWO TEETH AT BIRTH

PITTSBURGH—(INS)—A baby with two teeth was born in suburban McKeesport to Ivan and Pauline Hite. Said to indicate precocious development in the bone system of an infant doctor at the maternity hospital where the baby was born proclaimed the occurrence as unusual. Both teeth are lower incisors.

PITT NEAR TOP

PITTSBURGH—(INS)—With 214 deaths per 100,000 Pittsburgh was fourth among the nation's cities in 1936 in auto fatalities, being tied with Detroit and exceeded only by Chicago, Cleveland, and Los Angeles.

SECOND EDUCATIONAL MEETING IS ARRANGED

Will Be Sponsored by Bucks County Council of Republican Women

THURSDAY AT CO. SEAT

The second educational meeting, sponsored by Bucks County Council of Republican Women, will be held in the Sunday School room of Salem Reform Church, Court street, Doylestown, Thursday at two o'clock p.m.

The matter for study is the legislation proposed and passed by the present State Legislature meeting in Harrisburg, with special attention given to school and relief bills.

On January 28th, Mrs. Maul R. Stuckert, Newtown, explained and advocated the proposed set up on relief as sponsored by members of the Goodrich Committee on Relief.

On February 25th, Winston W. Lindes, Quakertown, will discuss "The Work of Bucks County Poor Board," opposing proposed changes.

Superintendent J. Harry Hoffman will briefly report the bills sponsored by schoolmen that have been passed or favorably reported.

Assemblyman Thomas B. Stockham, Morrisville, will speak on "The High Lights of 1937 Legislation."

These meetings are held for the purpose of presenting to all interested proposed bills and those enacted, in the belief good citizens should be informed and concerned regarding what is undoubtedly as momentous and far-reaching type of legislation the county has faced.

Because of expense involved no special notices will be sent to Council members.

All men and women are invited to attend.

INCOME AND OUTGO

Federal, state and local taxes amount to an average of \$100 annually for every man, woman and child in the United States, according to the findings of a staff of tax experts in a survey sponsored by the Twentieth Century Fund, Inc. The experts found the tax dollar was apportioned as follows: 44 cents to the Federal government; 20 cents to state governments, and 36 cents to county and municipal governments.

Taking the \$100 per capita annual levy as a base, accordingly, we find that the federal tax bill is \$44 for each man, woman and child in the United States, the state tax bill \$20 and county and municipal tax bills \$36. The Twentieth Century Fund experts estimate that one-fifth of what the statisticians call national income is used to pay taxes. But tax money paid out in government expenditures, account in turn for one-fifth of the national income. If borrowings were to be replaced by increased taxes, the fraction in each instance would be nearer to one-fourth, the experts report.

The survey provides new evidence of the fallacy of the theory that constantly increasing expenditures can be met and the budget balanced by higher taxes resulting from "increased national income." The more money the government spends the larger the so-called national income becomes. The government collects more in taxes on the increased national income and passes more out again. The net effect is to increase the proportion of tax dollars in the figures for national income and national outgo.

THOUGHTS OF SPRING

While there is still ample time for several weeks of old-fashioned winter weather over a large part of these tropical United States all minds turn to thoughts of spring.

No matter what the next few weeks hold forth, spring is on the way. The red thread in the thermometer stands a little higher. The sun is desiring the southern horizon and each day arises a little earlier and retires a little later in the evening.

Already there must be a season stirring in these roots and bulbs which make April gay with color. And soon they will be sending upward toward the lengthening sun light those shoots of green which make early spring a time of pleasant surprises.

And when spring comes garden time is just around the corner. Garden catalogues and window displays have already made their appearance by popular demand to aid the suburbanite and the farmer in laying their plans for planting. And soon the familiar odor of plowing and budding time in the country will clash in the sensitive nostrils of the motorist.

BUST MR. LEWIS

Mr. Lewis will soon have another job on his hands. The contract between his coal miners' union and the operators expires on March 31. The line-up will be something like this:

Miners—A 30-hour week with no reduction in pay for those who work by the hour, day or week, and increases for men who are paid by the ton produced.

Operators—A 44-hour week, instead of the present 35-hour week, with no increase in pay.

quently, yet many people are not quite certain of the distinction. Actually, the Washington variety is just a good dependable two-egg cake baked in layers, which are spread with raspberry jam. Powdered sugar is sprinkled plentifully on top.

The identical recipe is used for Boston Cream Pie, which is put together with cream, chocolate, banana or French cream filling. The cake recipe:

One-third cup shortening, one cup sugar, two well-beaten eggs, one-half cup milk, one and three-fourths cups flour, one-half teaspoon salt, one-half teaspoon vanilla, two teaspoons baking powder.

Cream butter and add half the sugar, and vanilla, beating until light. Add the remaining sugar to the well-beaten eggs and combine the two mixtures. Mix and sift flour, baking powder and salt and add alternately with milk to first mixture. Beat thoroughly. Bake in a loaf, or in greased layer cake pans 20 to 30 minutes in a moderate oven, about 35 degrees F.

This foundation recipe is easily adapted to fruit cakes and may be served with a variety of fillings. Try adding one cup of currants to the batter, or substitute fresh combinations in flavoring, such as cinnamon, almond, or lemon and nutmeg. One-fourth cup each chopped dates and nut meats is a welcome disguise.

Fresh coconut icing also makes the two-egg cake worthy of a feast.

SHOW VISITORS SEE HELPS WHICH ARE AID IN THE KITCHEN

By Rhadene A. Armstrong (Home Economics Representative) "Why hadn't I thought of that before?" was the comment overhead many times as visitors at the recent Farm Show examined the kitchen conveniences at the home economics extension booth.

An "easy-to-make" wall desk was part of the exhibit. This "Business center for the household" is an abbreviated desk with two shelves and hangs on the wall. It doesn't take up much room in the kitchen and may be used for keeping farm and home accounts, recipe books and files, for letter writing or any of the other hundred and one things that can be done in a few minutes "while the pot boils" if there is a place handy. The desk also appealed to younger members of the family who would like a desk of their own for studying in their rooms. One of these young visitors said "I could make that myself."

A cupboard with adjustable shelves and a place for everything necessary in baking showed how even an old cupboard can be turned into a modern space saver. Shelves were of various widths and partitions had been made to fit the utensils. Small racks for spices and knife racks on the inside of cupboard doors were noticed by many of the visitors who decided to go home and add this small convenience to their cupboards.

A cleaning cupboard also was inspected with interest for it had assembled all the necessary cleaning tools in one place. A basket with home-made cleaning materials had a sign attached saying "Carry it all with you"—not a bad idea when the cleaning is upstairs and steps can be saved by making one trip. HIGH SCHOOL GRAPPLERS TIE SQUAD AT TRENTON

By Herm Coen

Yesterday the McGuire-tutored squad representing the Bunnies of Bristol, journeyed to Trenton where they grappled the spirited Trenton team to an 18-18 tie.

This New Jersey school is the first big institution that the locals have contended with since the beginning of the wrestling season at home.

As in previous matches Bristol immediately stepped out to a 5-0 lead by gaining a forfeit in the 95-pound division.

Not content with this advantage, McCollick, Bristol, increased this margin when he won the decision over Guadagnino by a 3 minute and 48 second time advantage.

Then the boys from the state capital broke into their stride when they conquered the 115 and 125 pound classes respectively. In the first, Forcina, Trenton, threw Cordisco, of Bristol, after 3 minutes and 22 seconds of grappling. In the latter, Rosatti, Trenton, tossed Melidio, Bristol, in the early minutes of the bout. The score at this point gave Trenton a slight edge on the home-towners. Score 10-8.

"Hardy" Johnson, maintaining his excellent record of four straight victories, put the Bunnies ahead in the 135-pound class when he gained a fall over Giordano, of Trenton with the time reading 2 minutes and 41 seconds.

The next two combats were taken by Trenton by a fall and time advantage. In the 145 pound group Banier, Trenton, threw Holden, Bristol, after one minute and 25 seconds of the full time had elapsed. This time was the lowest in the whole meet for a fall. Following this came the 155 pound class in which Fuccello won the decision over Monus, of Bristol, by a time advantage.

In the most exciting tilt of the afternoon Doster, of Bristol pinned Page, from Trenton, after 6 minutes and 29 seconds of pulling and tugging. During this bout Page hurled the visiting boy on his back and nearly gained a fall. However, Doster, squirmed out, using every ounce of energy in his power, and turned the tables shortly after.

Preceding the final contest, Hinman, Bristol, won the officials' decision over Kushnerwick, Trenton, by a time advantage of 1 minute. In order that an official may make a decision, one person must have a time advantage for at least 1 minute. This bout was an exhibition for the people and was not counted in the final score.

Final score: Bristol, 18; Trenton, 18. 95-pound class—Campbell, Bristol, forfeit.

105-pound class—McCollick, Bristol, won decision over Guadagnino, Trenton. Time advantage, 3:48.

115-pound class—Forcina, Trenton, threw Cordisco, Bristol. Time, 4:22.

125-pound class—Rosatti, Trenton, threw Melidio, Bristol. Time, 1:56.

135-pound class—Johnson, Bristol, threw Giordana, Trenton. Time, 2:41.

145-pound class—Banier, Trenton, threw Holden, Bristol. Time, 1:25.

155-pound class—Fuccello, Trenton, won decision over Monus, Bristol. Time advantage, 4:33.

165-pound class—Doster, Bristol, threw Page, Trenton. Time, 6:29.

Unlimited class—Hinman, Bristol, won decision over Kushnerwick, Trenton. Time advantage, 1:00. (This bout was an exhibition.)

BRISTOL V. WINS LOWER BUCKS CHAMPIONSHIP

By Louis Tomlinson

TRENTON, N. J., Feb. 20.—At last the hopes and dreams of a Lower Bucks County Basketball Championship returning to Bristol High is a reality after four long years of effort to regain a lost crown. Not since 1933 has Bristol carried off the honors of this section in the P. I. A. A. state tournament, and now in 1937 Bristol again captures the title.

The victory was their seventh straight in league competition against no defeats, and of course last night it eliminated Fallsington entirely from any possible chance for the laurels whatsoever. Fallsington, in second place in the league, has won 5 and lost 3 for their season's work, thereby blotting out their last ray of light. With only one game in the league remaining on their schedule, Bristol could lose that tilt and still come out on top with two games to spare.

As for Coach Doheny and his proteges, it was a bitter dose to swallow as it was the nearest the Orange and Black quintet ever came to realizing a county championship. They floundered miserably in league competition heretofore but now when they produce the best court team ever turned out by the country school, they just miss their fondest dream, by losing by a single point.

However, the fray marked the "swan song" of the great defensive guard for the Cardinals in the person of Tom Proty as the latter is now ineligible by P. I. A. A. rules to participate in any games against other schools of the same association. This will be a severe blow to Coach Dougherty in his drive to win the Bucks County Tournament and to go far in the state tournament. Proty will be very capably replaced by Jesse Van Zant, but he will be missed by the squad no little.

It was only fitting that Proty should act as captain, and to top off his day's work he scored one of the field goals in that tense last quarter that greatly aided his team to victory.

Other leaders in the Cardinals' victory were Punk Zefferi, ace scorer for the locals all year, who had three falls and a foul goal for seven points; and Charlie Hughes, who had a trio of double deckers.

Facing Indoor Tests

By BURNETT

There can be no higher praise than a sincere tribute from a competitive rival, so when Glenn Cunningham puts in a great big boost for his most feared foe of the track, Archie San Romani, we should all give our respectful attention.

Glenn says that his fellow Kansan and arch-rival is potentially the greatest miler of all time, and Cunningham should certainly know, having raced against Lovelock, Beccali, Venzke, Mangan and Bontrouer.

San Romani's rise has been phenomenal, at that. Last year a comparatively little known Kansas runner, he came East to compete indoors and was a terrible bust on the boards.

This failure caused ambitious Archie to change his running stride, and suddenly he flashed to the fore. At the Olympic trials he amazed everyone by running a dead heat with the great Cunningham. Fourth to Lovelock, Cunningham and Beccali at Berlin, the newest Kansas cyclone took revenge on his Olympic conquerors in the Princeton meet last fall.

Our big hope in the 1936 Olympic 1500 meters, Archie expects to do better in the current indoor meets than in his ill-starred board debut in 1936.

For the losers, Johnson topped the 4-4 with a double decker under the net scorers with a duet of field and a on a rebound at the start of the second foul goal for five tallies. George Roberts had 4 points.

Field goals by G. Roberts and Johnson for Fallsington, and by Zefferi for Bristol were the only points scored in by a technical foul scored by Proty, the initial period thus Falls led at the giving Bristol a 7-4 advantage. Again end of the first quarter, 4-2.

The count was knotted when Johnson Hughes quickly tied the score up at netted two points on a shot from the

left side, plus a free toss tallied by Schaffer.

The last half was even more exciting than the first two quarters. Zefferi's floor shot once more put Bristol ahead, but Briegle, captain and center for the Orange and Black, immediately tied it up again with a shot under the net. Fallsington took the lead on G. Roberts' two points, but Hughes tallied on a shot over the top of the basket on a rebound to tie the score again. Zefferi's foul gave Bristol a 12-11 lead, but F. Cappiello dribbled in to score on a lay-up shot that gave Fallsington a one point margin of 13-12 as the third period closed.

Johnson stretched the losers' lead to 14-12 by counting a foul after the last quarter opened. Huffnell's foul reduced the lead to single point, then Profy sank a beautiful shot from the right side to put Bristol into the fore once more 15-14. Schaffer's foul again tied the count, but Hughes immediately proceeded to untie it by counting a pivot shot from the foul line—this was the shot that proved to be the goal that spelled defeat for Fallsington, victory for Bristol and the championship; it was scored with less than a minute to play. A foul was tallied by Briegle, soon after Hughes's two pointer but that ended the scoring for the afternoon thereby giving the Bunnies the decision, 17-16, in a last half thriller.

In the preliminary game Bruce Gillard's J. V.'s again won the decision over Mike Di Risi's Orange and Black Junior Varsity, 29-20. Bristol got off to a slow start, trailing midway in the second period 5-6. But from then on they seemed to find their stride for they proceeded to roll up the score, and within a few moments led, 6-5. At the half the "Hares" led 11-7. In the third and fourth periods they continued their offensive drive by rolling up a 27-13 score. Then Coach Gillard withdrew his starters and substituted the reserves. This proved to be Fallsington's cue for they immediately began a scoring spree of their own, coming within seven points of the Red and Gray's lead. However, Pat Cappiello laid one up for two points, the last scored in the game, hence Bristol copped the marbles, 29-20.
